# CUBE cycle computer SL BLACKLINE black

**Product price:**

**64,95 € tax included**

**Product attributes:**

## **Product description:**

The bike computer SL Blackline is a true peak performer with its altimetry function. The multifunctional computer for sports oriented bikers, who count every metre, informs with up to 44 functions exactly about all heights and depths of each tour. Furthermore, the training effectivity can be monitored via optimal heart rate monitor. Information on the right step is provided by the optional cadence monitor. You can also reach the right height by foot thanks to the integrated climber function.
