## **Product description:**

CUBE Natural Fit Gloves Long Finger  
grey ´n´red Product details

CUBE Natural Fit gloves are designed for maximum comfort. The specially developed gel foam padding reduces pressure on nerve tracts to prevent numbness in hands or fingers. Your hands stay dry in this lightweight and very well ventilated long finger glove with the CUBE VENT SYSTEM. The silicone printed palm enhances grip. Absorbent fabric for wiping off sweat. Seamless silicone-printed fingertips enhance control on brake levers and shifters. The pull-on system is a special feature. Comfortable velcro cuff with CUBE WINGS.
