Bontrager Specter Road Helmet yellow

Strap in for a great ride

Stay out on the road longer with the lightweight, composite-reinforced Specter road cycling helmet. Using internal channelling to pull air through the helmet and over your head, this road cycling helmet keeps you cool on tough training days and hot century rides.

Achieve maximum comfort and that "barely-there" feeling by dialling in your helmet with the intuitive one-handed fit system for superior security while riding.

Key features

- The in-mould composite skeleton increases helmet integrity and larger vent variations
- The Headmaster II one-handed fit system offers better height and circumference adjustments
- The flexible, head-conforming FormFit brow band has a tailored feel and improves venting
- AgION antimicrobial pads wick moisture away and completely eliminate odours naturally
- LockDown dividers make helmet strap management clean looking and easy to adjust
- Internal, recessed channels manage airflow through the helmet and over the head
- The Crash Replacement Guarantee provides a free helmet replacement if involved in a crash within the first year of ownership
