Gender: Female

Specification: long-sleeved

Material: 100% polyester

Product description:

SQUARE WS Jersey Performance L/S

The autumn sun bats its eyes down on us. We stand here at the summit and look down into the valley. The Square long sleeve shirt was exactly the right choice on the first stage along the shaded mountain valley: never too hot and never too cold. When climbing on foot, the continuous zipper was a real help and here at the top the warming material is just right again.
