

# Cube Ella Ride green ´n´white 2019

**Product price:**

**649,00 € tax included**

**Product attributes:**

Frame Size: Easy Entry 45 cm, Easy Entry 49 cm, Easy Entry 53 cm

Application area: Trekking

## Product description:

Cube Ella Ride green ´n´white 2019

The stylish and practical Ella Ride is the perfect companion for your active, outdoor lifestyle. Taking its inspiration from our popular Elly hybrids, our engineers have worked hard to blend function, fashion, comfort and safety into a stylish, modern bike that you'll be proud to be seen on. But it's not just great to look at, it's also incredibly practical. With a wide-ranging 24 speed Shimano gear system, comfortable suspension fork, full mudguards, lights and a kickstand too, the Ella Ride has absolutely everything you need... and nothing that you don't.

Building a light, strong, stylish step-through frame isn't as easy as it looks. Balancing low weight, comfort, style and safety is what gets our engineering team out of bed in the morning - and this is the result. Efficient Comfort Geometry (ECG) makes every ride a pleasure and every turn a breeze, and of course you can rest assured that the frame has passed all our stringent in-house safety tests. The luggage carrier integrates neatly into the frame's elegant structure, but it's also a great way to carry around whatever you need to take with you. Internally routed cables reduce the need for maintenance and keep your gears shifting smoothly, while colour-coordinated accessories complete the look.

- **frame** Aluminium Superlite Trekking Comfort Double Butted
- **colour** green ´n´white
- **size** Easy Entry: 45, 49, 53
- **fork** SR Suntour NEX, 50mm
