

# Cube Ella Cruise cream ´n´red 2019

**Product price:**

**699,00 € tax included**

**Product attributes:**

Frame Size: Easy Entry 53 cm, Easy Entry 49 cm, Easy Entry 45 cm

Application area: Trekking

## Product description:

Cube Ella Cruise cream ´n´red 2019

The Ella Cruise will slot so easily into your life, you'll wonder how you ever managed without it. Elegant and refined with its signature retro styling cues, it blends effortless style with genuine practicality and ease of use. The frame isn't just about great looks, it's also designed to be super easy to step in and out of. A comfortable ride position and safe, intuitive handling are part of the package, as are components that are designed to work effortlessly and reliably, so you can just concentrate on the ride. With a stable carrier, mudguards, kickstand and a lighting set, you'll be ready for any two wheeled journey.

The Ella Cruise's light, strong, step-through frame is great news for anyone looking for an easy-to-live-with bike, but a conundrum for our engineers. Luckily, they're up for a challenge. The elegantly curved down tube is great looking, but also stiff and strong for safety. In the search for the ideal blend of form and function, we designed neat luggage rack mounts to blend in with the frame's curves. Combined with the colour-coordinated accessories and internal cable routing, it all adds up to a bike that's as easy on the eye as it is to ride. And, as you'd expect, our Efficient Comfort Geometry means that you're in the best possible position for both comfort and easy pedalling, making every journey a pleasure.
