# Cube Nature Allroad red ´n´grey 2019

**Product price:**

**599,00 € tax included**

**Product attributes:**

Frame Size: 58cm, 46cm, 50cm, 62cm, Trapeze  
46 cm, Trapeze 50 cm, Trapeze 54 cm, 54cm

## Product description:

Cube Nature Allroad red ´n´grey 2019

Whether it's a business meeting that's overrun or a weekend ride that ends up taking you further than you expected, the Nature Allroad can handle it - urban mobility and rural freedom, all rolled into a safe, stable and easy-to-use package. With features like a comfortable Suntour suspension fork to iron out the bumps in the road, powerful hydraulic disc brakes for safe all-weather stopping, mudguards with a built-in rear light, Easy Mount kickstand and smooth, reliable Shimano gears, the daily commute is going to be a pleasure rather than a chore. Add a light, responsive frame and it's all the bike you need for weekend fun, too. All of which just goes to show that practical doesn't have to be boring...

The Nature Allroad's state-of-the-art frame is a masterpiece of practical, elegant engineering. The double butted aluminium tubeset blends low weight with efficient rigidity and safe, precise steering, whatever the road conditions. New for 2019, we redesigned the mudguard and luggage carrier fixing points to integrate even more neatly with the frame, so the day-to-day accessories you need don't spoil the bike's looks. We even routed all the gear cables inside the frame, keeping them out of the way of dirt and water so you can enjoy smooth, accurate gear shifting without worrying about regular maintenance. And, should you be unlucky enough to damage the derailleur hanger in a knock, it's easily replaceable - so a mishap needn't result in an expensive repair.
